Boat Races at Daisy on Sunday, 19th

DAISY - Top-notch speedboat pilots from seven Southern states will compete for prize money totaling \$1,200 in 16 big races which will feature the observance of "Youth Day" here on beautiful Varrows Lake Sunday, July 19. But the races are just one of the happenings on tap. Also included on the agenda are a welcoming address by Boyd Tackett of Texarkana, former United States congressman from Arkansas' old Fourth District; a big hillbully program fosturing an all-star cast;

and outdoor church services. The day will get under way with church services at 9:30.

Billy Walker, Columbia recording artist, and the Rowley Trie of Louisiana Hayride fame head the east of hillbilly stars who will stage a me-hour show from 10:30 to 11:30 and also perform between Carrs.

Tackett's address is carded for 11:30 to 12:30, and races begin Laura at that time, but the hoslumodiately following. The races are ganctioned by the National Outboard Association and the Arkansas Sower Boat Association.

Nine PTA's and other civic organizations in and pround Daisy are collaborating in furnishing this all-free entertainment.

Ford Master-Guide

the last word in

stakes in this year's Mobilgas Economy Run.

Power Steering!

Ford first brought to the low-price field a completely automatic transmission that

Ford's new "ride" brings you curve-hugging and hump-leveling qualities never be-

Easier-acting suspended pedals, Center-Fill Fueling and Full-Circle Visibility are

And now Ford brings you the newest and finest in power steering . . . Master-Guide, a system exclusive in Ford's field! It's no wonder, then, that Ford is the "Worth More"

combines the smoothness of a torque convertor and the gas-saving "go" of automatic

fore known in low-priced cars. Front end road shock alone has been reduced up to 80%.

just a few of the many other important advancements first introduced by Ford.

gears. Fordomatic remains the most versatile automatic you can buy.

car . . . worth more when you buy it . . . worth more when you sell it.

Master-Guide applies hydraulic steering power automatically . . . and in varying degrees as required . . . right at the steering linkage, close to the wheels. At the same time the system serves as a hydraulic shock absorber to keep road jars and jolts from your hands. As a result all you do is . . . guide the car . . . Master-Guide supplies the muscles.

HELPS YOU OUT OF "TIGHT SPOTS!" The tougher the going the more Master-Guide works for you. For example, if you go off the pavement onto a soft shoulder or a rough, rutted road, Master-Guide provides the muscles to keep you on a steady course. At the same time, Master-Guide absorbs the shock that might otherwise be transmitted to the steering wheel. You'll find all handling is easier with Master-Guide and that parking requires only one-fourth the normal effort. Should Master-Guide ever lose its power, the standard steering mechanism will operate just as usual. Thus, Master-Guide provides new ease and stability, with a natural feel and full security, wherever you may drive. Optional on all V-8 models of extra cost.

Test Drive HOTO with Master-Guide Power Steering!
